

Each week your child will place their spelling list in the front side of this sheet protector. Please study these words with your child. At the end of the week place the list in the backside of this sheet protector for review purposes.

A list of ways to study spelling words:

- Write your words in shaving cream or pudding.
- Use magnetic letters on a cookie sheet.
- Use foam letters in the tub.
- Play hangman with your spelling words.
- Use alphabet pasta to spell your words.
- Write words in sand.
- Make up word chants.
- Spell your words with Alphabets cereal and eat.
- Write your words in a story.
- Type your words.
- Use fancy letters to write your words.
- Cut letters out of magazines and paste your words.
- Use a paintbrush and water and paint your words on the sidewalk.
- Use sidewalk chalk to write your words.
- Use colorful markers to write your words.
- Write your words on a poster board and swat the word your parent spells.
- Make two sets of spelling word cards and play memory.
- Spell your words using funny voices (Kermit, pooh, etc.).
- Write your words on index cards and lay them on the floor. Hop to the word your parent spells and spell the word aloud.
- Give a spelling test to your parent and then correct it.
- Write words on fish shapes and fish for the word your parent says.
